Order:-

It has been represented to Government that officers who make enquiries in the interests of the Harijans generally do not themselves go to the Harijan cheris for visits in connexion with the enquiry but only go to the quarters where caste people reside and get the Harijans to caste people's quarters or generally to the village munsiff's house. All Heads of Departments are requested to instruct their subordinates that they should, in future, actually visit the cheris when making local enquiries in respect of the needs of the Harijans.
